Celebrating Brief Lives

Birmingham Women's Hospital is inviting people to attend a special ceremony of remembrance on Sunday 11th October. 'Celebrating Brief Lives' is a ceremony arranged for people who have lost a baby in pregnancy or soon after birth.

This service, held at St Peters Church in Harborne, will be a time for sharing memories of sadness and joy. Often people are reluctant to talk about what has happened after losing a baby, especially in early pregnancy. The service allows people to meet with others who have been through a similar traumatic experience and talk about their feelings in a caring and non judgemental environment.

This remembrance service for bereaved parents has been an annual event since 1994. It is a time for parents, family and friends to reflect and to share with others in a peaceful and beautiful setting.

The ceremony will take place on Sunday 11th October at St Peters Church, Old Church Road, Harborne at 12.00noon

For further information, please contact the Bereavement Office at the Women's Hospital on 0121 472 1377
